Complimentary Webinar for HME Providers Doing Business in North Carolina

North Carolina Medicaid is moving to Managed Care effective July 1. Are you prepared? Join Laura Williard, vice president of payer relations for AAHomecare, and Kelsey Kansler, director of revenue cycle management at Medbill, for a webinar providing insight into the differences between Medicaid FFS and the Medicaid MCO environment. You will also have an opportunity to prepare your business with the right staffing, finances, and processes prior to this change. We encourage business owners, billing managers and HME provider staff to attend this complimentary webinar hosted by ACMESA in conjunction with AAHomecare.
